

Quality Policy

At Campania Foods Ltd, we are fully committed to implementing our Quality Policy throughout our business.

It is our responsibility to our customers to provide safe and legal products of the highest quality. We will only source products from suppliers who are accredited to the BRC Global Standard for Food Safety and can demonstrate the rigorous standards we demand on behalf of our customers. They must also determine that they can consistently conform to our specifications or those of our customers.

We strive to operate our business to the highest standards and value and encourage the ideas of our employees. We ensure that we provide a safe working environment for our employees.

We are committed to reviewing our policy on a regular basis to ensure it remains effective. This policy is communicated throughout the company and is understood by all staff.
